9a. ZONING DOCKET NO. 13/23 - CITY COUNCIL MOTION NO. M-23-98**Brief:**

Requesting a Text Amendment to create a definition and use standards for “Electric Vehicle (EV) Charging Station (principal use)” and to reduce zoning barriers for EV charging stations with the following considerations:

- * Consider updating existing regulations in the Comprehensive Zoning Ordinance to increase opportunities for EV charging stations in appropriate zoning districts;
- * Consider defining Levels 1, 2, and 3 EV charging stations or other relevant EV charging industry standards when creating use standards and definitions;

- * Consider requiring EV charging stations in any newly proposed parking lots (principal use) or parking structures (principal use) based off national best practices;
- * Consider reducing the required number of off-street vehicle parking requirements for developments that include EV charging stations;
- * Consider limiting EV charging stations (principal use) to zoning districts with existing auto-oriented uses or consider ways to mitigate any potential negative impacts of this auto-oriented use.

The proposed Text Amendment would affect regulations that are applied to all zoning districts. The recommendation of the City Planning Commission being "FOR MODIFIED APPROVAL".

- (2) Insert the following text of new Section 22.5.F of
 Article 22:

22.5.F REDUCTION OF OFF-STREET VEHICLE PARKING SPACE REQUIREMENTS FOR VOLUNTARY INSTALLATION OF LEVEL 2 AND LEVEL 3 ELECTRIC VEHICLE CHARGING STATIONS:

1. The following reductions in the number of
 required vehicle parking spaces are
 permitted when non-required EV Charging
 Stations are voluntarily installed:
 - a. Where 10% or more of required off-street
 vehicle parking spaces provide installation
 of Level 2 Electric Vehicle Charging Stations,

a 10% reduction of the off-street vehicle parking space requirement is permitted.

- b. Where 10% or more of required off-street vehicle parking spaces provide installation of Level 3 Electric Vehicle Charging Stations, a 20% reduction of off-street vehicle parking space requirements is permitted.
2. These benefits may be combined for a maximum of a 30% reduction of off-street vehicle parking space requirements.

54. MOTION - NO. M-23-227 - BY: COUNCILMEMBER MORENO (BY REQUEST)

Brief:

Directing the City Planning Commission to conduct a public hearing to consider amending and re-ordinating the Comprehensive Zoning Ordinance (Ordinance No. M.C.S. 4264, as amended by Ordinance No. 26,413 M.C.S. and subsequent amendments) to expand community solar opportunities with the following considerations:

- i. Consider defining a “Community Solar Project” as “a solar energy system constructed and operated by a public or private entity that connects directly to the electricity distribution network and converts solar energy into electricity and/or stores energy for the primary purpose of serving electric demands offsite from the facility. Community solar projects may allow multiple local subscribers to purchase or lease ownership shares or a percentage of the power produced on the site.”
- ii. Consider creating accessory use standards for "Community Solar Projects," which may include minimum lot size requirements, setbacks, design standards, and/or landscaping requirements.
- iii. Consider amending Article 21.6.J of the Comprehensive Zoning Ordinance to read as follows:
 - “1. A collective alternative energy system such as a community solar project, wind energy system, or geothermal energy system is permitted to be constructed upon one or more properties owned by a neighborhood organization, homeowners association, institutional campus, religious institution, non-profit organization, or a public entity. Collective alternative energy systems shall be permitted as accessory use for the purpose of serving electric demands on- site or offsite from, but related to, the
 2. A collective alternative energy system may be constructed on one or more contiguous lots owned by a neighborhood organization, homeowners association, institutional campus, religious institution, non-profit organization, or a public entity. Where collective alternative energy systems are constructed on two or more contiguous lots, all owners shall agree to such

arrangement. The agreement shall be recorded as a “collective alternative energy servitude” on each plat of survey to grant access to all participants to maintain equipment. A management plan shall be submitted and servitude recorded. The management plan shall clearly detail the relationship between the accessory Collective Alternative Energy System use and the related on-site or off-site principal use or uses.

3. Collective Alternative Energy Systems shall be built in accordance with accessory use standards for the particular type of energy system used, as described in this section. A management plan shall be submitted to the Department of Safety and Permits. The management plan shall clearly detail the relationship between the accessory Collective Alternative Energy System use and the related on-site or off-site principal use or uses.” That the requirement to participate in the Neighborhood Participation Program and any fees are hereby waived.

41b. AMENDMENT TO MOTION M-23-208 - BY: COUNCILMEMBERS MORRELL AND HARRIS

Brief:

1. One page 2, delete the first recital paragraph, and insert the following in lieu thereof:

WHEREAS, In neighborhoods across the City there is a

noticeable uptick in commercial short term rental developments including, but not limited to, the conversion of apartment complexes from long-term housing to transient housing; and

2. On page 2, delete the first paragraph following the recitals, and insert the following in lieu thereof:

BE IT MOVED BY THE COUNCIL OF THE CITY OF NEW ORLEANS, That the City Planning Commission is directed to conduct a public hearing to amend and reordain Ordinance No. 4264 M.C.S., amended by Ordinance No. 26,413 M.C.S., as amended, the Comprehensive Zoning Ordinance of the City of New Orleans, to amend Article 19 to establish a new Interim Zoning District to be named the Commercial Short-Term Rental Interim Zoning District (IZD), the intent of which is to prohibit Short-Term Rental, Commercial and Hostel as allowable uses within all areas of the City of New Orleans, and to limit the development of Timeshares with the following considerations:

- * Instituting a cap of no more than one unit or 25% of total dwelling units on a lot or a single building constructed across lot lines, whichever is greater, to be permitted to be included in a Timeshare Plan within a Timeshare Building.
- * In the CBD-5 Urban Core Neighborhood Lower Intensity Mixed-Use District, a Timeshare Building shall only be permitted when the total number of dwelling units is at least ten and the Mandatory Inclusionary Zoning regulations of Article 28 are triggered and an Affordable Housing Unit is provided as required by law. This cap shall not apply to the VCE Vieux Carré Entertainment District, to structures which front on Canal Street between the Mississippi River and Rampart Street, the EC Educational Campus District, MC Medical Campus District, LS Life Science District, or the MI Maritime Industrial District Commercial and Recreational Subdistrict.
